

Software License Agreement

The Software which accompanies this License is the property of Interactive Quality Support Ltd. (IQS). In conjunction with software license, following terms and conditions will apply for the licensed software.

Title, ownership rights, and intellectual property rights in and to the Software shall remain in the ownership of IQS.

In the event of any conflicting clauses in the Agreement, the relevant contract between the customer and IQS shall have priority.

Terms of agreement:

- (1) IQS grants this non-exclusive and non-transferable licence to use the Software for the approved purposes and on the terms and conditions of this agreement.
- (2) The User acknowledges that it may not disclose, resell or give the Software to others, for any purpose other than internal use. The User agrees not to distribute copies of the Software or facilitate the distribution of the Software. The User understands that the unauthorized duplication of the Software is a crime and is punishable by law.
- (3) The User agrees to make reasonable efforts to protect his or her copies of the Software and license codes, if any, from theft and improper use.
- (4) The User may not translate, modify, decompile, disassemble the Software; rent or lease the Software; or remove any proprietary notices on the Software.
- (5) The User undertakes to keep secret and protect the confidential nature of all information and documentation provided to it, learned by it or to which it has or has had access, arising out of or in connection with any aspect of the negotiation or performance of this agreement including, without limitation, the source code and object code for the Software. To this end the User must not use, disclose or in any way communicate to any other person the details of any Confidential Information.
- (6) The Software may contain third party software which requires notices and/or additional terms and conditions. Such required third

party software notices and/or additional terms and conditions are made a part of and incorporated by reference into this Agreement. By accepting this Agreement, the User also accepts the additional terms and conditions, if any, set forth therein.

- (7) IQS agrees that the User retains all rights to information loaded, typed or otherwise entered into the Software by the User. IQS may not transmit, reproduce, lease, sub-license or create derivative works of User-entered data in whole or in part without express written permission from the User. IQS may not restrict the User's rights with respect to User-entered data or User-generated files, including User rights concerning the usage or expression of User data stored in files generated by the Software.
- (8) By initiating the software use, installing all or any portion of this software, or authorizing any other person to do so, the User agrees to the above terms and conditions.

General conditions:

The 'User' is not entitled to assign or otherwise transfer any rights or obligations under this agreement. This agreement contains the entire understanding and agreement of the parties relating to the subject matter hereof. The laws of Ireland will govern this Agreement.

Intellectual property rights:

Copyright, patents, trade marks and all other intellectual property rights in the Software and related documentation are owned by and remain the property of IQS and are protected by national laws and international treaty provisions. You do not obtain any rights in the Software other than those expressly granted in this agreement.

Software Maintenance:

IQS may create, from time to time, updated versions of the Software. IQS will make any such update version available to those licensees who have paid the maintenance fee. Further terms are ruled by a separate Software Maintenance Agreement.

Disclaimer of warranty:

This software is provided 'as is' and any expressed or implied warranties, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose are disclaimed.

Limitation of liability

In no event shall the authors or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of this software, even if advised of the possibility of such damage.
